### PROGRAM REFUNDS & CANCELLATIONS

Our goal is to ensure quality programs. If you are dissatisfied with the quality of a class/program in which you are currently enrolled, you may request a refund according to the following policy:

Refund requests must be submitted in writing and include an explanation of why the participant is disappointed with the quality of the particular class/program. The written request should be dated and sent by email, fax, or mail directly to the facility manager or program manager offering the class/program. Only written requests will be accepted. The amount of any refund will be prorated based on the number of remaining class/program sessions.

If you need to cancel a class/program registration, and you make the request 15 or more days before the start date, a full refund will be offered - MINUS a 15% administrative fee (to a maximum of \$15). If you cancel a class/program registration 14 or fewer days before the start date, a 50% refund will be offered. Cancellation requests must be submitted in writing. The request should be dated and sent by email, fax, or mail directly to the facility or program manager offering the class/program.

The Department reserves the right to cancel or change a class or activity due to insufficient enrollment or other reasonable cause. A full refund (including any applicable registration fee) will be offered.

The Area Agency on Aging offers evidence-based disease prevention and health promotion programs and services for older adults, caregivers, and their families. The Chronic Disease Self-Management Program (CDSMP) is an evidence-based education program designed by Stanford University that empowers older adults and caregivers to manage chronic health conditions. This free six-week program gives participants the motivation and confidence that is required to manage health challenges. Researchers have found that CDSMP participants have fewer hospitalizations and emergency room visits. Participants have a wide-range of chronic conditions such as arthritis, heart or lung disease, asthma, migraines, HIV, diabetes, Lyme disease, depression, or other illnesses that affect daily life. To find a local workshop, call 703-777-0257 or visit [www.loudoun.gov/aaa](http://www.loudoun.gov/aaa).
